WHY CHOOSE TRACKVAN AS YOUR NEXT PURCHASE

- ✓ **Australian built product from the ground up** (We support Australia & Australian jobs where possible)
- ✓ **Fibreglass internal wall + ceiling linings** (Eliminates any chance of internal water damage)
- ✓ **Welded Aluminium body framework** (Eliminates any chance of timber rot while adding strength to the build)
- ✓ **1 piece honeycomb composite floor – No timber** (This eliminates the very common wet / spongy timber floor rot)
- ✓ **One piece fibreglass roof** (Less joins/seams helps reduce the chance of water ingress)
- ✓ **4mm Ali-Comp external cladding** (Helps protect the van from the elements such as Rain & hail)
