WHY NOT CHOOSE TRACKVAN AS YOUR NEXT PURCHASE?

- ✓ Australian built product from the ground up (We support Australia & Australian jobs where possible)
- ✓ Fiberglass internal wall + ceiling linings (Eliminates any change of internal water marks)
- ✓ Welded Aluminium body framework (Eliminates any chance of timber rot while adding strength to the build)
- ✓ 1 piece honey combe plastic floor – No timber (This eliminates the very common wet / spongy timber floor rot)
- ✓ One piece fiberglass roof (Less joins/seams helps reduce the chance of water ingress)
- ✓ 4 mm Aluminium Composite external cladding (Helps protect the van from the elements such as Rain & hail)

The TRACKVAN EXTREME BY MILLENNIUM steps you up to be able to see more destinations off the beaten track in luxury whilst touring our great country.
