- David and Karen, Toowoomba, Qld

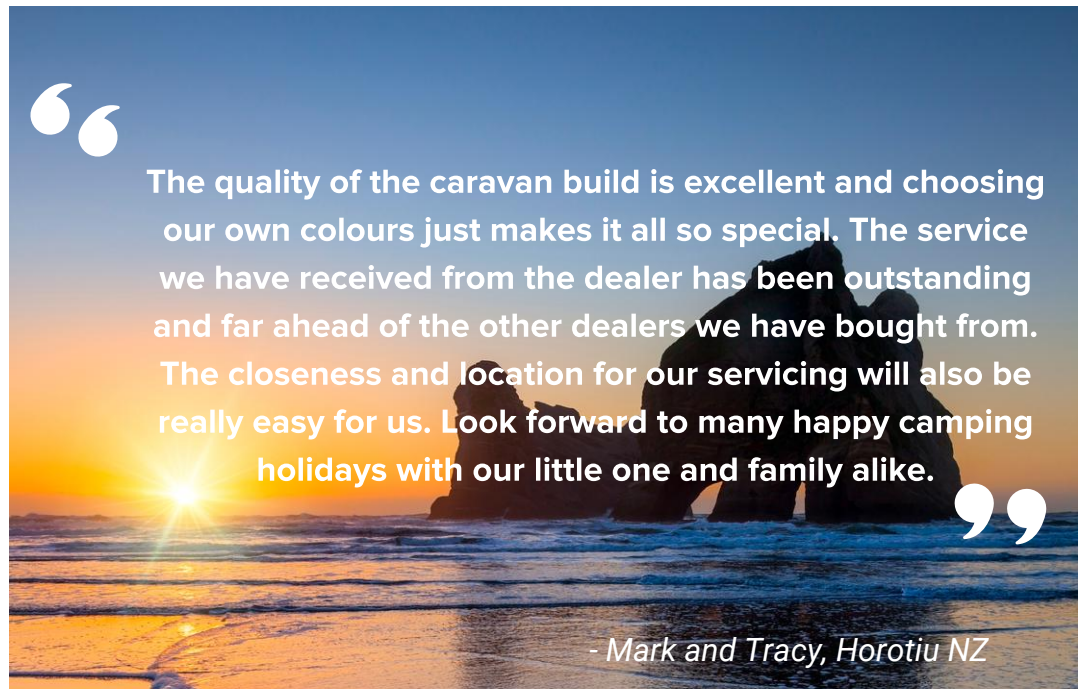

“ I did 12 months of research and well and truly looked at each brand. I liked several but after ticking off all the boxes the Topaz was the one left standing and I love it. ”

- Carolyn, Yellow Rock, NSW

“ We are really enjoying our Topaz, the space and storage is fantastic, and all the extras we had fitted are all working really well. Overall we are extremely pleased with our purchase, and very happy to recommend Avida. ”

“ The quality of the caravan build is excellent and choosing our own colours just makes it all so special. The service we have received from the dealer has been outstanding and far ahead of the other dealers we have bought from. The closeness and location for our servicing will also be really easy for us.
