WARRANTY

At Snowy River Caravans, we stand behind our workmanship with a comprehensive warranty that covers every aspect of our caravans. Our unwavering commitment to customer satisfaction is supported by a robust service network and a passionate team dedicated to ensuring your caravanning experience exceeds expectations.

Compliant with Australian Consumer Law, our warranty ensures your peace of mind from the moment you embark on your journey.

What does this mean for you? It means you can be assured that any issues with your caravan will be taken care of. You can enjoy your travels without worrying about unexpected hurdles.

With over 40 recommended service centres across the nation, our team will promptly rectify any affected components, adhering strictly to the terms outlined in our warranty.

We're committed to delivering exceptional products but also the assurance that your adventures are backed by reliability. Our caravans use our patented ALOPEX build technology consisting of outside layers of fibreglass sheet covering a robust combination of aluminium extrusions and high density XPS insulating foam.

The aluminium frame means there is no risk of rot or distortion as seen in timber frames, while our thick composite panel floor ensures maximum insulation against Australia's variable temperatures.

WARRANTY

At Snowy River Caravans, we stand behind our workmanship with a comprehensive warranty that covers every aspect of our caravans. Our unwavering commitment to customer satisfaction is supported by a robust service network and a passionate team dedicated to ensuring your caravanning experience exceeds expectations.

Compliant with Australian Consumer Law, our warranty ensures your peace of mind from the moment you embark on your journey.

What does this mean for you? It means you can be assured that any issues with your caravan will be taken care of. You can enjoy your travels without worrying about unexpected hurdles.

With over 40 recommended service centres across the nation, our team will promptly rectify any affected components, adhering strictly to the terms outlined in our warranty.

We're committed to delivering exceptional products but also the assurance that your adventures are backed by reliability. Our caravans use our patented ALOPEX build technology consisting of outside layers of fibreglass sheet covering a robust combination of aluminium extrusions and high density XPS insulating foam.

The aluminium frame means there is no risk of rot or distortion as seen in timber frames, while our thick composite panel floor ensures maximum insulation against Australia's variable temperatures.
