OUR STORY

Established in 2015, Snowy River has swiftly emerged as a leading caravan brand in Australia & New Zealand, celebrated for innovative designs and impeccable craftsmanship.

We have consistently garnered acclaim, including the esteemed “Best Value for Money” Award from 2019 to 2022, affirming our dedication to delivering exceptional quality at competitive prices.

At Snowy River Caravans, we pride ourselves on crafting a diverse range of caravans tailored to various budgets and preferences.

Whether you're searching for a cosy couple's retreat or a spacious family-friendly tourer, our extensive lineup features versatile layouts designed to suit every traveller.

Our journey began with a vision to cater to the Australian & New Zealand market, leveraging local insights and expertise to create caravans that surpass industry standards.

SR-XPLORE®

BENEFITS

Reduces body roll compared to trailing arm suspension due to decreased moment arm.

Increased stability and sway control.

Ultimate roadholding, glides across corrugations and undulations keeping all wheel grounded.

Incorporation of both camber and toe adjustment.

Increased wheel travel.

Unparalleled Comfort and Capability

Engineered with our new SR-Xplore suspension system, the Snowy River Hybrid delivers a safe, smooth, and stable ride, no matter where your adventures take you. Plan your next expedition with confidence, knowing your SRH can tame the elements—hot or cold conditions, beach, bush, or desert.

WARRANTY

At Snowy River Caravans, we stand behind our workmanship with a comprehensive warranty that covers every aspect of our caravans. Our unwavering commitment to customer satisfaction is supported by a robust service network and a passionate team dedicated to ensuring your caravanning experience exceeds expectations.

Compliant with Australian Consumer Law, our warranty ensures your peace of mind from the moment you embark on your journey.

What does this mean for you? It means you can be assured that any issues with your caravan will be taken care of. You can enjoy your travels without worrying about unexpected hurdles.

With over 40 recommended service centres across the nation, our team will promptly rectify any affected components, adhering strictly to the terms outlined in our warranty.

We're committed to delivering exceptional products but also the assurance that your adventures are backed by reliability. Our caravans use our patented ALOPEX build technology consisting of outside layers of fibreglass sheet covering a robust combination of aluminium extrusions and high density XPS insulating foam.

The aluminium frame means there is no risk of rot or distortion as seen in timber frames, while our thick composite panel floor ensures maximum insulation against Australia's variable temperatures.
